

Join our Team!

Kita with a unique concept is looking for YOU!

Educator (m/w/d) 20 – 35 hours per week

in our Coworking Kita in Prenzlauer Berg

Start Dec 25 / Jan 26

We offer you:

- Insight into a one-of-a-kind childcare concept in Germany
- A great, motivated, and stable team with flat hierarchies
- Flexible working hours
- Above-tariff pay and company pension scheme
- A respectful, creative, and open working environment
- A favorable child-to-staff ratio
- Continuous professional development opportunities
- Family-friendliness

What you should bring:

- German Certification or degree as an educator or equivalent recognized foreign qualification
- Excellent English skills as a bilingual educator
- A loving, attachment- and needs-oriented approach to childcare
- Enjoyment in working with children
- Enthusiasm and openness toward our innovative concept
- Willingness for professional growth and training
- Intercultural competence

About our unique concept:

Coworking Toddler is a new and so far unique childcare concept in Germany, where children grow up close to their working parents. Through an coworking space next to the Kita, we bring together daycare and working parents under one roof, creating a valuable contribution to the genuine compatibility of family and career.

The educational community between children, educators, and parents is actively lived out in daily life through shared rituals. Unlike most traditional Kitas, there is more regular communication and continuous coordination between educators and parents. This builds trust and enables child-centered, loving, and needs-oriented care.

We look forward to your application at kontakt@coworkingtoddler.com.
